In response to the Applicant's Supplemental Amendment received on January 29, 2003, the following is supplemental to the Office action mailed on February 5, 2003, Paper No. 8, (and the Period for Response has been reset):

The first two paragraphs of said Office action are to be replaced by the following:

Claims 31-44 and 80-82 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected invention or species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in Paper No. 7.

The Applicant has failed to specifically point out the support in the original disclosure for each of the newly presented claims 18-82 (M.P.E.P. 714.02) and must correct this deficiency in response to the instant Office action.
